### Rick Taylor Yesterday and Today: All things (including hair) have endings

Our program this week features club member Rick Taylor, as he completes five years as our program chairman. The program begins at noon on Zoom. Click on the link to be admitted:

Meeting link: <https://us02web.zoom.us/j/7985707369>

It's the time of year when our club honors and celebrates the end of one Rotary year and the beginning of another. Rick Taylor will share some reflections with us on the theme of "Endings." Rick has studied Jungian psychology for the past 25 years. Dreams (the night time variety) are important to that brand of psychology. Rick will share with us what he calls his "Rotary dream" that he had recently. He thinks of it as just the right program to end his five year tenure as our club's program chairman.

### June 3, 2021 Meeting Notes

President Bill rang the bell at noon and opened the meeting. The first part of the meeting was abbreviated to allow enough time to introduce our Scholarship winners. She plans to study Interior Design at Fort Hays State University. Jana Coop won the Stanley Scholarship. She plans to study physical therapy at Colorado Mesa University. Ellie Bergsten won an Academic Scholarship. She plans to pursue Heritage and Museum studies at Concordia College.

President Bill led us in the Pledge of Allegiance. There were no visiting Rotarians. Guests included students Rachel Calvin, Jana Coop and Ellie Bergsten; Sarah Pita, Director of Development for Nehemiah Gateway; Carol Whiteneck and Lois Sumey.
