The “Rotarian of Note” is a person or persons who do the tasks that help the club be successful, working often behind the scenes. Last Thursday, May 2nd, the bell rang for Brad Rosenbaum, the editor of the Spoke. Brad took over the preparation of the Spoke using ClubRunner last June, and we have not missed a weekly issue since then. He is very good at using the new on-line capabilities to publicize the changing needs of the club. Brad is also active on the Youth Exchange and Duck Race Committee. For all of these efforts and many more, Brad Rosenbaum is a “Rotarians of Note”.

Estes Park Rotary Provides Funds, Pledges Volunteer Help with Pavilion Project

A check for \$1,000 and a pledge of members' time and talent will result in a spruced-up picnic pavilion open to the public this summer. At the April 25 meeting, President Pete Sumey of The Rotary Club of Estes Park presented

Estes Park presented
Estes Valley Recreation
and Park District Executive
Director Skyler Rorabaugh
with a check for \$1,000
and a promise of
membership muscle for a
joint project.

The pavilion was built in 1955 as a Rotary Club of Estes Park project to commemorate the 50th Anniversary of the founding of Rotary International, the world's first service club. The structure is located in the Cherokee Draw Day Use area, near Highway 36 and Fourth Street in Estes Park.

President Sumey estimates that Rotarians will participate in two work days this spring to help with painting and refurbishing the structure. The target date for completion of the project is the end of May, according to EVRPD Director Rorabaugh.

"I would like to thank you for partnering with us on this project," Director Rorabaugh said at the April 25 meeting. "The funds will go toward a great project and we are happy to work with you again."

Director Rorabaugh said the Estes Valley Recreation and Park District will install a new roof, purchase stain for the wood, complete leveling of the soil around the pavilion and provide a new trash receptacle. The total cost of the project is estimated to be about \$3,000, Rorabaugh said Monday.

"We appreciate the support of the Estes Park Rotary on this endeavor, as this

pavilion is highly utilized and is a great parks and recreation amenity for our community," he said Monday. "We look forward to a continued relationship with the Estes Park Rotary on future projects and events!"

Funding for the grant came from the Estes Park Rotary Foundation, which supports initiatives that foster the general well-being of the Estes Park community. The Foundation was created in 1977 and continues to demonstrate its mission by awarding scholarships to Estes Park High

School graduating students each May and by awarding grants to tax-exempt community charitable organizations every spring. In 2013, \$46,500 will be provided in scholarships and \$12,600 in grants to 15 charitable organizations.

In addition, the club selects projects that

benefit from a Charitable Projects Fund. This year's list of charitable projects includes the Rotary Pavilion Restoration, Hurricane Sandy Disaster Relief, a literacy initiative in Guatemala, the Estes Valley Library Summer Reading Program, the Estes Park Medical Center Imaging Technology Unit

...ing technology, and a Boy Scout breakfast and a Bike or Walk to School breakfast, among others. A golf tournament and a musical revue generate revenue for the foundation, which also accepts donations and bequests from Rotarians and their families.

Meeting Notes

Pres. **Pete Sumey** called the meeting to order at 12:00 p.m. Invocation was given today by **Pete Sumey**, and Song and Pledge Leader was **Jim Robertson** and we sang "Auld Lang Syne." **Wayne Newsom** tried his best to introduce our guests, yet we didn't have any visiting Rotarians or guests!

We have a couple of members who need our thoughts and prayers this week. **Harry Hutcherson** had some chest pains last week and is now at Medical Center of the Rockies and is scheduled for open heart surgery. **Dennis McHenry** had a knee replacement on Tuesday and is down at Poudre Valley Hospital in Fort Collins and will be starting rehab this week. We hope for a speedy recovery for both of these fine Rotarian friends!

President Pete introduced **Skyler Rohrbaugh** of the Estes Valley Rec. and Park District and they announced that our next Rotary work project will be to help refurbish the Rotary shelter on the Lake Estes Trail which was built in 1955. It can use a bit of sprucing up! We will donate funds and two work days to make the Rotary shelter all bright and shiny and new

again. More details to follow. Skyler thanked our club for being willing to help out with this project.

Jim Robertson (JR) told us no one won the raffle last week, there is \$92.00 in the pot which will carry through to the next game. He is now selling chances on the Duck Squat with \$160 in the pot already.

Announcements- Tara Moenning announced the Road and River Clean-Up is this weekend to help spruce things up for the Duck Race. Volunteers should meet at the Visitor's Center at 9:00 a.m. Saturday. She also told us that they have chosen our scholarship recipients. There will be 28 students who receive Rotary scholarships this year, \$102,000 will be going to the kids and our club, THE Rotary Club of Estes Park will be contributing \$46,500 of those dollars! Yay! **Scott Thompson** is selling Duck Squat tickets today and next week. Cost is \$10 per square and once they sell 100 squares, the Duck Squat will commence on Duck Race day. Whichever numbered square Peanut the duck "squats" on, wins half the pot, \$500! Big Duck **Marcia Logan** told us tonight is the last Duck Race meeting and things are hoppin! She invited all to a Kick-Off Duck Race party at Nicky's next Thursday, May 2nd to celebrate the 25th anniversary of the Duck Race. Nicky will have appetizers for \$5.00 per person, cash bar. It will be fun! Please let Marcia know if you plan to attend. Also, Monday, April 29 at 5:00 p.m. we will be putting stickers on the prize boards at The Wheel Bar. All are welcome and encouraged to attend. The Duck Race committee needs help inputting adoption forms on race day at Nicky's, if you can help out, please let her know. Marcia thanked **Pat Barnett** who put up a great display at the Estes Valley Library and it's all about the Duck Race. Stop down and see it, it's right inside the front door. Marcia showed off a few new items available for sale this year to commemorate the 25th anniversary, a silver duck, notepads, a silver flashlight and a silver eagle coin in a commemorative box. If you're interested in any of this merchandise, please see Marcia. Pres. Pete is very excited about Scholarship Night when he will be the one presenting scholarships to the students. He's really looking forward to it.
