This week's program: **Carol Stark to present on Paul Harris giving**

You many not know, but November is Foundation Month in Rotary. There's no better time than this to hear from our District 5440 Paul Harris Society Representative Carol Stark.

She will join our meeting via Zoom this week and will provide an overview of the benefits of giving to Rotary International's Paul Harris Fellowship program, the Paul Harris Society, or of becoming a Major Donor or Benefactor. Many members of our club are Paul Harris Fellows, 32 to be exact. Of that number, 17 are Multiple Paul Harris Fellows. In addition, three among us are Benefactors and another three are Major Donors. Six club members have pledged to donate \$1,000 annually, which places them in the Paul Harris Society. Carol will explain each level of recognition and why it's important to consider R.I. in your charitable giving.

Carol Stark is past president of the Loveland Rotary Club, past Assistant DG for the Greeley clubs, and PHS and TC (Triple Crown) chair for the District. She has been a Rotarian for 15 years. She is the owner of a company that makes fire nozzles. As she puts it, "Nozzles and valves, things that go on the end of a firehose. Specifically, products used for wildland fire fighting. Yes, we have been busy lately."

Update from President Bill Solms

We are back!! After leaving our last meeting under emergency evacuation orders to pack and head out, Marianne and I returned last Wednesday. We are grateful to still have our home intact; if anyone has suffered damages, whether a current or past member, please inform me so that I can pass that information up the Rotary chain. District Governor Chris Woodruff called me during our exile and explained that our District is putting together an emergency fund for this purpose. On the Covid-19 status, the new, more stringent restrictions in Larimer County should not get in the way of our Board meeting nor the regular meeting this week since most attendees/speakers will attend remotely on Zoom.

We have relaxed the meal requirement on physical meeting attendance at Nicky's; however, all attendees must make a reservation with Karol by 5 p.m. each Tuesday so we can be sure we are Covid-19 compliant.

Please support our Paul Harris program this Thursday by your presence either online or at Nicky's; I am blown out of the water to witness the degree of energy our Club has shown in its support of this vital Rotary program!
