2012 Incoming Exchange Student Faustine Delebarre

Posted by Brad Rosenbaum

Faustine Delebarre is our incoming exchange student from Bruay la Buisière, France. Bruay la Buisière is in the extreme north of France, very near Belgium and the English Channel. Her first host family is Dawn and Ed Shields. The Shields live near the top of Pole Hill; poor Faustine comes from a fairly flat landscape near sea level, so her first experience in Estes Park was an eye-opener!

At home, Faustine took seven years of English, three years of Spanish, and one year of Chinese. We can learn a lot from her! She is the third of three children in her family. She took the initiative by herself to contact her local Rotary club to become an exchange student to the United States.

"No, I don't think I will kiss you, although you need kissing, badly. That's what's wrong with you. You should be kissed and often, and by someone who knows how."
