Buissière, France. Bruay la Buissière is in the extreme north of France, very near Belgium and the English Channel. Her first host family is

Dawn and Ed Shields. The Shields live near the top of Pole Hill; poor Faustine comes from a fairly flat landscape near sea level, so her first experience in Estes Park was an eye-opener!

At home, Faustine took seven years of English, three years of Spanish, and one year of Chinese. We can learn a lot from her! She is the third of three children in her family. She took the initiative by herself to contact her local Rotary club to become an exchange student to the United States.

"No, I don't think I will kiss you, although you need kissing, badly. That's what's wrong with you. You should be kissed and often, and by someone who knows how."

-Clark Gable, Gone With The Wind.

Meeting Highlights

President Pete Called the November 1st meeting of the Rotary Club of Estes Park to order at 12:02 PM and called on **Earl Matson** for the opening prayer. **Kris Hazelton** then led us in the now-almost-traditional opening song, America The Beautiful, and the Pledge of Allegiance. **Rick Taylor**, a former Rotarian was introduced, and guests of Rotarians were called, but none were in attendance this week.

Pete next had the pleasure and privilege of welcoming new member **Susan Fereday** to the club with the assistance of **Jill Anderson**. Pete is the Sponsor of **Susan Fereday**, so managed nicely to perform the

simultaneous duties of President and proud Sponsor in the Rotary Pin and Member Badge ceremony. He then continued our new member activities with the presentation of a well-earned Blue Badge to **Sarah Walsh** who gave a brief and entertaining summary of her personal background prior to joining the club.

Turning to club business and announcements, **Pete** called on **JR** for raffle news which was there is \$170.00 in the pot and we had no winner last week. **Wayne Andersen** announced that our club will be one of the three organizer- worker support groups for the Annual Salvation Army Bell Ringers campaign along with the other two Rotary clubs. He and **Randy Skeie** are the Chiefs this year, and their main need will be for Captains who will recruit volunteers for duty during our clubs eleven (11) day work period. (This year that will be November 29th through December 9th which means our members will be scheduled on holidays. HOORAY!)

Pete reported that **Ron Kuhns** has returned again to the hospital, still suffering from his bout with pneumonia and that **Kim Barrier** had been injured in an auto accident and will be out of commission for a few weeks. Meeting announcements included the Membership and Duck Race Committees .

Our charming French Exchange Student **Faustine**, gave a nice review of her recent activities and Youth Exchange Committee Chairman Mark Richards followed with a brief report that we had four outstanding candidates for next years outgoing slot and our fortunate selection is Miss **Lauren Igel**.

The Monthly Birthday drawing went to **Tad Diedrich** who will enjoy a complimentary lunch next week, and **Pete** then called for the sometimes entertaining Happy Money Hour: **Bob Brunson** leaped at the opportunity to remind our members that our long- time server Rebecca has received her engagement ring and is looking forward to the coming nuptials early next year. **Jay Harroff** reported on the unusually challenging and long hours involved in the Annual Pumpkin Distribution Party primarily lengthy this year because of the cold weather and overabundant supply of smaller-than-usual pumpkins. (He could have used more help guys and gals, tsk, tsk). **Kris and Gary Hazelton** were delighted to report that their son is now officially engaged to the girl of his dreams. **Ward Nelson, Madison Casey, Susan Fereday, Jill Anderson** were also very happy about recent events in their lives, but I am sorry that we have run out of space . . .

Pete Sinnott introduced Town Administrator **Frank Lancaster** who gave a succinct overview of current activities, construction projects, future plans and other issues of interest and importance and then fielded pertinent questions from our group. We adjourned shortly after 1:00 PM.
