DISTRICT GOVERNOR MIKE FORNEY

Mike Forney joined the Rotary Club of Steamboat Springs nine years ago. After work as PR Committee Chair and Board Member he became president of his 85-member club in 2008. In 2009 District Governor Stuart Palmer named Mike District 5440 Rotarian of the Year.

In 2010 Mike took a Rotary Group Study Exchange team to District 9650 in New South Wales, Australia. He was appointed District Governor Nominee in January, 2011 to fill the vacancy created when Rotarian Tom Miller resigned because of failing health. Mike also assumed Tom's position as incoming chair of the Five District High Country President Elect Training Seminar (PETS) which was held in February, 2012.

Mike is a multiple Paul Harris Fellow and a member of the Rotary Foundation Bequest Society. His wife Janet is also a Paul Harris Fellow.

Mike's background is in radio broadcasting, corporate public relations, advertising, and commercial mortgage banking. Bio for prospective new member Susan Fereday

Susan Fereday Biography

I was born in Salt Lake City Utah in 1959. I am the fifth child of six children. I have 2 older sisters and 2 older brothers and one younger half- brother.. My father passed away when I was a young girl. I was blessed with a good step father who provided us with many opportunities to experience the outdoors and to live a good life. We learned to snow ski, water-ski, fish, hike, camp, dirt bike from my step-father and mother. I continue to enjoy most of these activities in my adulthood except the dirt biking. We lived in Utah until I was at the age of 8. We moved to California, I lived there until the age of 12. We then moved to Castle Rock Colorado where I attended both Junior High and High School.

I was married in 1977 right out of High School to Arthur Stark who was from Franktown Colorado. We had 4 Children from 1978 to 1985 Amy, Arthur, Aaron and Alan. We lived in Craig, Colorado and Hayden

Colorado, Maybell, Colorado and a short 3 year stay in Pleasant Grove Utah. We later divorced and I married Andre Fereday in 1994 we have one child together Laura who is 16. Currently I have 5 wonderful grandchildren Brennen, Katelyn, Marley, Gamble and, Roderick .

Career- I have always had entrepreneurial spirit. I created and ran several businesses prior to coming to State Farm. I had a lawn service, upholstery shop, cleaning service, daycare, sold encyclopedias, sold handmade items. Later I opened and ran a butcher shop in Hayden Colorado where we did custom meat cutting for wild game and farm animals. I attend the Rocky Mountain School of meat cutting in Denver to become a trained and certified meat cutter.

After the sale of the Butcher shop I went to work for Routt Memorial hospital for a short time in their business department. I then started working for a State Farm agent in Steamboat Springs Colorado in 1991. Selling insurance was a natural fit for me and I loved it. Knowing that an education was what I needed to unlock opportunity for me I enrolled in college classes in the evening.

State Farm was a great company to be aligned with for me, I loved their values and how they took care of the customer and they loved my values in doing business and my desire to take care of the customer. They offered me an agency in Salt Lake City, Utah in 1993. This was a great opportunity to help me provide for my family. I was an agent for 14 years, earning many awards and sales recognitions during that time. I served on the board of the National Association of Financial Advisors for several years and was a member throughout my career. In 2006 State Farm then asked me to consider joining their Leadership team. I felt it was a great opportunity for learning and development of myself. I have been a lifelong learner and this change supported that in me. I managed over 40 agents and their team members. I was also responsible team developing, sales coaching and recruiting of new agents. The one thing I have loved about my career is having the opportunity to help others grow and development and to help them increase their earning power and self- confidence. I then requested a transfer back into agency in 2012 and was given the State Farm Agency in Estes Park on June 1 2012. I loved management but I really missed the face to face contact with the customer and developing and managing my own agency team.

I have earned several designations within the insurance industry; LUTCF(life underwriters

Rotarian Candidate
9/28/12

I believe myself to be a solid candidate for Rotary for a number of reasons. First and foremost, I have a servant's heart. I love what Rotary does for the community and mankind – the “spokes” of Rotary are far reaching and life changing – both for the Rotarian and the recipients of Rotary's many gifts.

All of my previous occupations have been “customer service” based, complementing my love and commitment to service. (Please see attached Resume) I am an energized organizer, a motivator, and a go-getter! I feel my talents would complement Rotary.

I have grown up hearing “Rotary”. My grandfather, Burnell C. Helmich, was a very proud Rotarian beginning somewhere in the 1950's and included the role of President at the Chicago O'Hare Rotary. Upon his relocation to Estes Park in the late 1970's after a short stay in Southern California, he joined the EP Rotary until he moved to Florida and died in 1986. My “Papa” would be ever so proud of my desire to be a part of the same organization he so loved and served.

I thank you for your consideration of my application. I very much look forward to the prospect of “serving”.

**2012 Incoming Exchange Student Faustine Delebarre**

Posted by Brad Rosenbaum

Faustine Delebarre is our incoming exchange student from Bruay la Buissière, France. Bruay la Buissière is in the extreme north of France, very near Belgium and the English Channel. Her first host family is

Dawn and Ed Shields. The Shields live near the top of Pole Hill; poor Faustine comes from a fairly flat landscape near sea level, so her first experience in Estes Park was an eye-opener!

At home, Faustine took seven years of English, three years of Spanish, and one year of Chinese. We can learn a lot from her! She is the third of three children in her family. She took the initiative by herself to contact her local Rotary club to become an exchange student to the United States.

"No, I don't think I will kiss you, although you need kissing, badly. That's what's wrong with you. You should be kissed and often, and by someone who knows how."
