## AND OUR FEATURE PRESENTATION

### Maximizing Potential: Supporting and Inspiring Life-long Learning with Kathleen Anderson, Executive Director of the Learning Place

The Estes Park Learning Place, Inc. founded in 1998 as an innovative skill-building center for learners of all ages, the Estes Park Learning Place became a charitable non-profit organization in January 2003 and serves the greater Estes Valley community.

The Learning Place offers one-to-one tutoring which strives to meet students at their current level, create a learning plan based on individual learning styles and needs, and cultivate students' learning so they may reach their highest potential.

### A Feast Fit For Rotary

As the weather begins to cool and the mountains are topped with snow, it is time to start making plans to attend the special presentation for the Rotary Club of the "Olde English Christmas Feast" to be held at the

Estes Park Center - YMCA of the Rockies Thursday, December 6th, 2012 6:00 pm in the Assembly Hall. (New venue!)

The doors will open to the west lobby of the Assembly Hall at 5:30 pm where we will gather for the pre-feast fellowship and enjoy light snacks (you all know how much food will be coming your way later) and non-alcoholic beverages. We will then invite you into the "Great Hall" for the Feast. Once again you will be treated to soup, salad, three entrees complete with all of the trimmings and a fabulous dessert; with entertainment provided by the Estes Valley Chamber Singers and friends.

Now is the time to make your plans and let us know if you and your

### the Fairgrounds

On Saturday, October 6, at the Fairgrounds Park-n-Ride lot off Manford Avenue, community members can conveniently recycle unwanted electronics and have old personal documents shredded and recycled. Both collections take place from 9 a.m. until 1 p.m., with Rotary Club of Estes Park sponsoring the Shred-a-Thon and the Town of Estes Park sponsoring electronics recycling.

#### Electronics recycling

The Town of Estes Park's electronics recycling allows residents to conveniently and responsibly recycle old television sets, cell phones, iPods and many other electronics. More than 95 percent of all materials will be fully recycled for remanufacture; no materials will be incinerated or land-filled. Metech Recycling will provide this service.

There is no fee to recycle cell phones, PDAs, iPods or MP3 players. The fee for recycling televisions and monitors up to 20 inches is \$10; televisions and monitors 21- 32 inches cost \$18; and televisions and monitors larger than 32 inches cost \$1 per diagonal inch. Other large electronics cost \$5; small electronics cost \$2. A full list of accepted electronics may be found at [www.metechrecycling.com/list.htm](http://www.metechrecycling.com/list.htm). For more information on this electronics recycling program, please contact Metech Recycling at 720-377-7700.

#### Shred-a-Thon

The Rotary Club of Estes Park's Shred-a-Thon helps community residents recycle old papers and prevent identity theft. Residents may bring up to five boxes or one large trash bag full of confidential paper materials. A \$10 donation to Rotary is suggested for one large trash bag of material; 100 percent of the donations will support students through Rotary Club scholarships.

Items appropriate for the Shred-a-Thon include old bank statements, credit card offers, cancelled checks, medical records, pay check stubs and any documents with personal information. Clips, staples and binders do not need to be removed. No trash or newspapers can be accepted. Waste Management will provide bins to recycle any boxes used to transport shred materials to the collection site. For more information on Rotary's Shred-a-Thon, please call Tara Moenning at 970-586-3748 or Ron Kuhns at 970-577-1359.

# Meeting Highlights

It was the best of times, it was the worst of times. . .no, wait, that's a different story. Let's see, meeting notes for the Rotary meeting on September 27, oh yeah.

President **Pete** called the meeting to order at noon, followed by the invocations given by **Jack Endacott**, song and pledge led by **Lloyd Scott** (with a rousing tribute to the Barleen show with "Give My Regards To Broadway") and introductions of guests by **TeresaMaria Widawski**.

Visiting Rotarians included **Janet Dickison** (I think) for Longs Peak and AG **Chris Woodruff** from Greeley Centennial. **Brad Rosenbaum** introduced our new exchange student **Faustine** from France.

**JR** announced that I didn't win the raffle last week (neither did anyone else). Pot is at about \$125 for this week's game.

**Jim Austin** (reporting for **Karen McClure**) reported that the Farmers' Market has concluded another successful year. **Vicky** will be at next week's meeting to present the club with a check. **Karen** is retiring as chair of the Farmers Market committee so we need a new chair for next season.

**Tara Moenning** invited everyone to the Shred-A-Thon on October 6, 9am to 1 pm, at the fairgrounds in conjunction with the town's electronics

recycling. Come on down and help out—free coffee available.

**Don Widrig** announced that the club will offer Rocky Cards again this year in December. Don't buy one from anyone else.

**Wayne Andersen** kicked off the Salvation Bell ringing season explaining the new organization for this year. It appears that it will take dozens of people to do what Randy Skeie has been doing on his own for years. Bottom line—we are responsible for ringing the bell at three locations (2 at Safeway, 1 at the Post Office) for only 11 days, November 29 through December 9. Team captains and bell ringers are being recruited as we speak. Salvation Army is working on an on-line sign up system. Stay tuned.

**Dave Evans** reported that we are getting into the Foundation Community Grants season. Last year, we gave out over \$12,000 to 17 local charitable organizations. Applications are being emailed to those 17 organizations, and will soon be available on line and as hard copies. Deadline for submitting grant applications is January 15th, with the review and selection process happening in February and grants awarded in March.

Happy money:

**TeresaMaria** was happy to see **Mark Richards** when visiting Santa Fe.

**Bob Brunson** was happy to meet up with a fighter pilot friend at a Blue Angels performance.

**Julia** was happy (as was the rest of the club) because she was turning in her club membership application today

**Bert Bergland** was happy to have survived 200 miles on an ATV fall colors trip over treacherous terrain.

**Claudine Perrault** was happy the ATV drivers were “gentlemanly” (sounds a little sexist to me) during her Rollinsville bicycle trip.
