

A BASIC ROADMAP TO ROTARY RESOURCES ON THE INTERNET (APRIL 2014)

Official website for Greeley Rotary Club: <http://www.greeleyrotary.org>

- or find this link using Google search via key words related to: "**greeley rotary club**"

Greeley Rotary website features content specific to our club and is driven by our (local) input, design and development (hint - this is fun committee with openings if interested!).

- An important note > from our Greeley Rotary website members are able to access ClubRunner (our membership management platform); this should be done periodically to review/edit your member record (used in club communications) and to explore other features of related to club administration.
 - Members can login (see button at top of home page) using their credentials:
user name: **first.last.5249** (eg. jane.doe.5249)
temporary password: **5249** < temp. passwd. should be changed upon initial login
-

Official website of Rotary District 5440: <http://www.clubrunner.ca/portal/home.aspx?did=5440>

- or find this link using Google search via key words related to: "**rotary district 5440**"

Our district website has great content - check this site out (frequently!)

Official website for Rotary International (RI): <https://www.rotary.org>

- or find this link using Google search via key words related to: "**rotary international**"

The RI website is a comprehensive resource on "World of Rotary" with a recently redesigned home page now organized around 3 central themes:

1. Get Involved / 2. About Rotary / 3. News & Features

Each section can be explored for comprehensive information. Though a bit overwhelming, RI's website truly is an outstanding resource - some courageous exploration and you'll soon develop an enhanced understanding of Rotary and its great mission in the world!

Refer website related questions (including login or other technical challenges) to:
