ANNOUNCEMENTS

Dave Mills (*Inspiration*):

Guatemala Literacy Project

(GLP) is one of the largest grassroots, multi-club, multi-district projects in Rotary. More than 900 clubs and 90 districts have been working together since 1997 to improve education for underserved students in Guatemala. In that time, more than 312,000 students have been served through four sustainable programs that are tested and proven to work. In 2017, then RI President Ian Riseley called the GLP the "gold standard of Rotary projects" for its sustainability and impact.

Rick Parker (*Thanks to our Club*): Rick shared thank-you letters and cards from groups that received much needed funds for food insecurity relief or disaster relief from our club this past year:

House of Neighborly Service - "Thank you for your generous gift... We are extremely grateful for your partnership and support..."

KidsPak - "Thank you for all the support..."

Roary District 5840 Foundation - "Thank you for your contribution to our District's Flood Disaster Relief Fund in support of the relief efforts from the recent Texas storms and flooding."

LAST WEEK'S PROGRAM

Scholarship Committee chair **Laura Armstrong** moderated a panel of scholarship winners who, in response to some key questions, shared their personal achievements, hopes, dreams, and expressions of how their scholarships have benefited them. This group of bright, confident students inspired us with their stories!
