A FARMER'S PRAYER

Then the farmer added, "But Lord, when you mix them all together and bake them, I do love warm fresh biscuits. So Lord, when things come up that we don't like, when life gets hard, when we don't understand what you're saying to us, help us to just relax and wait until you are done mixing. It will probably be even better than biscuits. Amen."

ANNOUNCEMENTS

Chris White (*New Members!*): After two red-badge thumbnail bios - by **Russ Pulver** (a retired federal admin judge, who prior to that had a military and civilian legal career) and **Jen Sanders** (a track & field athlete in high school and now working at the Bridgewell Foundation after previous work with other nonprofits) - our club inducted four new bright and shiny Loveland Rotarians,

which you see pictured in the upper right. Yeah!

Dave Mills (*Literacy*): Dave had very good news to report: *the required \$15,000 to train TSD teachers* (in 10 different schools) in the skills needed to screen and effectively teach kids with dyslexia has been raised! Many thanks to our generous Rotarians!

Chris White (*Time to Vote!*): All members will soon receive by email the official notification of nominees for officers and directors on the Club's Board of Directors to begin serving in the 2026-2027 Rotary Year, as well as proposed amendments and procedural changes to the Club's Constitution and Bylaws. All of this will be voted on during the upcoming club meeting of Mar 10. Please attend if at all possible so we have the required quorum for voting on these matters. Thanks!

LAST WEEK'S PROGRAM

Our 2026 Governor's Art Show chair, **Ashley Kasprzak**, kicked-off this year's 35th annual art show and sale. She was accompanied by art show director Ruth Scott and several Colorado artists - including Crystal DeSpain, winner of last year's Best in Show, who captivated us with a presentation on the *work process of an artist and how art affects our brains!*
