ANNOUNCEMENTS

Grants Presentation

Irv Johnson presented a \$2,500 grant to representatives from **Wings Ministry**. Established for more than 60 years, Wings Ministry assists single mothers. The funds granted will be used to create gift boxes that provide blessings and inspirations.

Did You Know?

Pat Williams shared two stories of Club members and challenged us all in "Did You Know?" One member sprinted away from buffaloes on a first date in Custer State Park while working his job as a dishwasher.

Turns out, this is **Gary Camp**.

Another Club member had a difficult time seeing the Ringling Brothers circus as a kid because he had been stung around his eyes by a hive of bees he mistakenly stirred up. Who was this - **Mo Heth**.

LAST WEEK'S PROGRAM

The Relevance, Reach and Power of Rotary -

John Turnage introduced **Lynn**

Hammond who reflected on the

relevance, reach and power of

Rotary. Rotary is faced with

advancing technologies and rapid change and, is challenged with finding the hope of things that are possible.

Mr. Hammond reminded us of the ability of Rotary to bring hope around the world. This is because no other organization in the world has the network Rotary has - as many as **36,500 Clubs in 200 countries**.

Mr. Hammond highlighted a few of the Committees in the Club. **Youth Exchange** is changing the lives of young people and building positive memories of Americans. **International Service** projects are making impacts around the world. More than \$2.6 billion has been raised to eradicate polio. **Membership**

continues to grow the Club and reach out to the next generation of Rotarians. The **Teacher and Student** of the month program highlights the outstanding people in our schools who are making a difference. The fellowship of Rotary brings us all closer together. Mr. Hammond reminded us the meaning of life is to find your gift, the work of life is to develop that gift and the purpose of life is to give it away. What is our vision, what is our opportunity and what is our commitment?

The Club can do anything we set our minds to do.
