You Are Needed!

You can help 8th graders use the Four-Way Test to solve real life problems. This can be a life changing event for both the students and you. Help us fill more slots on Jan 15th at Turner Middle School. See Dixie's last sign-up email and join our facilitator team!

ANNOUNCEMENTS

Co-Pres Bob Tello (*News for Good of Club*): Sad news: our longtime friend and fellow Rotarian **Antoinette Lorenz** was found dead in her home this week. Her close friend **Rich Ball** requests her privacy be respected, with no phone calls or visits at this time. Some good news: **Dick Barton** is making slow but steady progress, though his left side is still paralyzed. Dick's family is now looking for a live-in caregiver—a paid position with free room/board in the Barton home. If you know of anyone interested in this position, please contact Carol Barton by email only (carolebarton@comcast.net).

Co-Pres Diane Lapierre (*Teenager in Need*): Our **Loveland Satellite Club** invites donations of needed new mother supplies, accessories for the Jan 25 baby shower for the pregnant, homeless 19-yr-old girl, whom Matthews House recently helped move into her first apartment. Contact **Dixie Schmatz** if you can help!

(*Congratulations*): Our own **Lynn Hammond** celebrated his 65th year as a Rotarian on January 1. Yeah!

Mary Camp (RYLA): RYLA 2025 starts up in Feb. Mary shared heartfelt thanks from last year's attendees.

LAST WEEK'S PROGRAM

Mary Camp told the story of the significant time and effort our Scholarship Committee puts in, each year, to select worthy recipients; **Co-Pres Diane Lapierre** introduced us to 7 of our Loveland Rotary scholarship winners. These young people shared their hopes and dreams, as well as their gratitude for what our club's financial assistance has made possible for them.

Co-President Diane (far right) led a panel discussion with Loveland Rotary college scholarship winners from the past several years (left to right): Bailey Bianco (Concordia University, NE), Christopher Padgett (Adams State College), Aidan Magruder (CU-Boulder), Livia McQuade (Syracuse University, NY), Elizabeth DeClement (CU-Colo Spgs), Daniel Hatton (CSU), and Samuel Hatton (CU-Boulder, currently in Master's program).
