**ANNOUNCEMENTS**

\* **David Snodgrass (Thumbnail):** Another of our newest members, Dr. David Snodgrass, treated us to the 2-min story of his life. Here are just a few highlights: • He was born in Tucson, AZ • After medical school and his residency (family medicine) at a Denver hospital, he and his wife Shawna moved to Loveland to start their family (3 children). • Dr. David has been with Banner Health since 2010. • He was drawn to Rotary when he reflected on an incident (back in his college days) that had restored his faith in humanity: after his hat blew off while motorcycling, a burly, bearded biker behind him rescued the hat, smiled, and said to David, "Pretty windy day out, isn't it, my friend?"

\* **Jim Epstein (Club News):** President Jim reminded us all about two upcoming events: ① **Jon Kindschy's mini seminar on club finances** scheduled for Tues, Jan 16; ② the **next board meeting** on Wed, Jan 17.

\* **George Stevens (MLK Day):** Don't miss the **MLK Day events** at Mountain View High School and the **special display case** at Loveland Public Library!

**CELEBRATING**  
**DR MARTIN LUTHER KING JR DAY**  
**MON. JAN. 15, 2024 6PM - 7:30PM**

**LAST WEEK'S PROGRAM**

**Ramin Rostampour**, of Thompson Valley (TV) club, gave a nice update on our local Interact clubs. Some highlights: • Interact is a Rotary-sponsored program for high school age youth. • We have 4 TSD clubs that each set their Rotary-aligned goals, establish values, and write their own vision statement. • TV and Loveland Rotary clubs provide mentorship, help the kids with 2 service projects per year, provide some funding for their activities, and invite them to engage with us - e.g., assisting in the Rubber Duck Race by rescuing small ducks out of the Big Thompson River!

Ramin Rostampour of Thompson Valley Rotary Club now coordinates the Interact clubs in Thompson School District.
