Helping the Homeless

Recently, the **Loveland Satellite Club** provided funds to help house several homeless families. In addition, Satellite member **Kathy Zavala** contacted restaurants to see if they would donate so these families could have a meal out during the holidays. The Satellite Club would like to thank **Golden Corral, Arte's Pizzeria, Culver's, Tres Margaritas, and El Pueblito** for their generous donations, including the ones Golden Corral made for multiple families, including one with several teenage children.

End of Year Rotarian Feedback (Survey Results)

At the meeting on Tuesday, Dec 19, **President Jim Epstein**, took a survey about our club to see what we think is working and what we think could be improved.

The top four votes for **what is working**: ① programs, ② meeting management, ③ membership, and ④ food.

The top four votes for **what could be improved**:

① nothing at all, ② engaging new members, ③ getting members to sign up to be new committee chairs, and ④ serving food earlier.

A full list of the results will be available on the tables at our Jan 2 meeting.

One Last Service Opportunity in 2023

Habitat for Humanity could use some additional help with construction on Friday, Dec. 29, as well as some additional help at their ReStore. Check out these event listings on our club calendar (Loveland Rotary website - <https://portal.clubrunner.ca/5257/Events>) to get more information and links to the event sign-up sheets.

Getting Educated

Tuesday, Jan 16, at 1:30 PM after our regular club meeting, **Jon Kindschy** will provide **training on our Loveland Rotary finances**. It will cover such things as our profit and loss statements, balance sheets, and annual budget. Any member with an interest in our club's finances is welcome!
