#2 Fire

House Sta-

tion on 29th

and Wilson, courtesy of

**Tim Sendelbach** (at no

cost to the club). As usual,

the board meetings are

held every third Wednesday

of the month from 4-6

PM. All Loveland Rotarians

are welcome to attend at

any time. **This month's**

**board meeting is to be**

**rescheduled** on account

of last Wednesday's snow.

Stay tuned!

**ANNOUNCEMENTS**

**Janice Ververs** (*Thumbnail*) Our newest red badger, Janice, favored us with a whirlwind tour of the life she's led so far. Here are some highlights:

- Born in Chicago, her father died when she was only 10, and two years later her mother, who had fallen in love with Loveland, moved the family here.
- After high school, she enlisted in the army, began her training at Fort Jackson (SC), and proceeded to marry her high school sweetheart Mike, who also enlisted (she's actually married Mike twice!).
- Janice and her husband have 4 children and 3 grandchildren.
- She has enjoyed a career in the automotive dealership industry (becoming a general manager of distinction), and also in real estate.

Welcome to Loveland Rotary Club, Janice!

**Diane Lapierre** (*Governor's Art Show*) The organizing team for the 2023 Governor's Art Show & Sale is actively seeking sponsors. Please consider becoming a sponsor to help make for a great show this year and to qualify to attend this year's Gala event scheduled for May 5.

**LAST WEEK'S PROGRAM**

Thompson School District

**Outdoor Learning Center**

The Rotary Clubs of the Loveland area took on the project!

Lisa Coalwell, retired TSD teacher, presented the story of the Outdoor Learning Center - 4.5 acres adjacent to Big Thompson Elementary School (at West Hwy 34 and Masonville Road) - and how, with the help of Loveland Rotary, it has enriched the lives of countless school children and visitors. Here are some highlights:

- Natural features include native plants that have been there since the early settlers' time.
- Wildlife such as mountain lions, elk, deer, and bighorn sheep roam freely.
- There are even heirloom apple trees that have survived since the early orchards.
- Rotary clubs including ours helped restore features of the park that had suffered from blight and deterioration during the dry years of the past decade.
- It's come alive again!
