

### THE FOUR WAY TEST

- 1 Is it the TRUTH?
- 2 Is it FAIR to all concerned?
- 3 Will it build GOOD WILL & BETTER FRIENDSHIPS?
- 4 Will it be BENEFICIAL to all concerned?

**THE ROTARY SPIRIT**

**Our Weekly Raffle**

Stay tuned. Our charity raffle returns soon!

**MKL Day Event Has Been Rescheduled**

Due to extremely cold temperatures and for the safety of the community, Loveland had to cancel the original celebration event on Jan 15. It's rescheduled for Wed, Jan 31, 6 PM, at Mountain View High School Auditorium. It will feature student art and essay winners, Candace Oates (OAA Movement), and Mokomba Ensemble.

**ANNOUNCEMENTS**

**Gary Camp (Happy Dollars):**

After the customary (and weird) penalties were levied by *The Enforcer*, those Rotarians happy enough to pull out happy dollars included the following: • **Tom Carrigan** - the money promised by the city for the new KidsPak building is only days away! • **Nanci Garnand** - a grandson will graduate from Marines Reserve training, at Paris Island! • **Dave Mills** - a granddaughter who is a freshman at Rocky Mountain H.S. (Fort Collins) and an athlete is currently scoring big in basketball! • **Julie Marko** - grandchild no. 13 is due to arrive this week!

**Paul Christenson (Thumbnail):** Paul, one of our newest new members, treated us to the 2-min story of his life. Highlights: • He was born in Rapid City, SD. • Paul went to college at UNC (Greeley), earning degrees in Kinesiology (BA) and Education (MA). • During grad school, he taught a class for at-risk youth at an alternative high school and there he discovered he had a passion for nonprofit work. • Currently, Paul is Exec Director for *Aspire*, part of Loveland Housing Authority.

Attend Meetings via Zoom!

**Diane Lapierre (Governor's Art Show):** Great news! At the recent school board meeting, our Governor's Art Show & Sale team won the *Community Champion Award* from Thompson Education Foundation. Yeah!

**LAST WEEK'S PROGRAM**

**Bill Eads** and his lovely wife Marcia presented their travel story about Iceland. Highlights: • Iceland is known as the "land of fire and ice" because of its volcanoes that are topped by glaciers! • Iceland straddles divergent (tectonic) plates of No. America and Europe, moving apart 1 inch per year. • Lutheran Church ministers (official religion) are gov't employees. • The world's first parliament was convened here (930 AD). • *McDonald's* fast food was *run out* of Iceland (2009)!

**Iceland: Land of Fire and Ice**

May 14-27, 2023
