OCTOBER Student of the Month

Luke Schanafelt
Berthoud High School

OCTOBER Teacher of the Month

Suzanne Cox
Turner Middle School

ANNOUNCEMENTS

Becky Huner (*International Service*): Becky encourages any member who's excited about participating in the support of our club's projects in other parts of the globe to attend **the next meeting of the International**

The House of Hope and Dignity

with a Rotary International Grant dedicated to Rotarian John Stewart

Committee on Oct 10. She shared the progress of one such project, Dignity Liberia. As Becky explains it, this project is designed to provide much needed healthcare (and the necessary facilities) - both during and after pregnancy - for women and their babies in that West African nation. Our club received a Rotary Int'l grant of \$55,000 to be used for completing the interior work on the buildings, furnishing the rooms, and supplying some needed medical equipment, all of which supports the goal of this program being operational in 2024.

Jim Epstein (*In Memoriam*): We have this sad news to report: our fellow Rotarian and friend for the past 15 years, **Roy Allen**, passed away on Oct 2. Our thoughts and prayers are with his wife Sally and the rest of the family.

Roy Allen
1938 - 2023

LAST WEEK'S PROGRAM

A familiar guest speaker at our club and DarkOwl CEO, Mark Turnage, spoke about facts and fears surrounding artificial

DARKOWL

Artificial Intelligence:
What is it?
What can it do?
What are the dangers?

intelligence (AI) - particularly *ChatGPT*; he also performed real-time demonstrations. Some highlights: • *ChatGPT* is a *word prediction machine* that can instantly find the most likely words to follow any given string of words, out of all of the billions of pages of text on the internet. • Best uses for this kind of AI include calendar scheduling, providing customer service, summarizing information, and quickly analyzing huge data sets (e.g., medical data). • Dangers include biased results, job losses, and *deepfake* images and videos that look real.

Attend via Zoom!
