ANNOUNCEMENTS

Evan Patterson (Rotarian On the Mend): Please keep John Stewart in your thoughts and prayers. Doctor is hopeful for a full recovery, except for the lingering blindness in his left eye. He shows progress!

Dick Bradsby (KidsPak): The first KidsPak deliveries for this school year happen on Oct 14. There’s a recognition drive-through event for KidsPak volunteers coming up, at the Food Bank. Email Dick if you’d like to attend and have not yet received the invitation.

Jeff Swanty (Oct Student of Month): Kris Scheideman, Loveland H.S., who’s been a peer counselor even while suffering a serious loss, is interested in a future career in the film industry.

Roy Allen (Oct Teacher of Month): Julie Elliott, a third grade teacher at Carrie Martin Elementary, can often be heard encouraging students by telling them how their current choices will shape their futures.

Lynn Matson - Fort Collins Bkfst Club (FoCo Fun Hunt): This great COVID-safe family event, 10 am - 4 pm on Oct 24, will help raise funds to send youth to RYLA leadership camps.

PROGRAM

“Loveland Pulse Update” by Brieana Reed-Harmel, Mgr - Loveland Pulse. Highlights from her presentation included the following:

- Pulse is Loveland’s 100% fiber optic utility that provides broadband services to the community.
- Over the next 3-4 years, this fiber network will include every home and business in city limits (as well as part-way up the Big Thompson Canyon).
- This is the fastest technology available for Internet service, and it’s symmetrical - both uploads and downloads have same speed (up to 1-10 Gbps!)
- Currently, Pulse is one year into production, with some residential service having started in Jun 2020.
- Project is now 22% complete and within budget.
- Starting this month (Oct 2020), city will start publishing Pulse’s take rate - the percentage of potential customers who have signed up for it, to-date.
- Internet service is the first service offered; includes WiFi with a NOKIA modem-router device.
- You’ll be notified by mail or doorhanger when Pulse is available for your home or business.
- Pulse is 100% revenue-supported (no taxpayer $).
