THE FOUR-WAY TEST
- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOOD WILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?
- Is it fun?

ANNOUNCEMENTS:
Rick Parker asked for help with the 4-Way Test at Lucile Erwin on Oct. 30. Let him know you can help!
Dixie Schmatz told of a Loveland Rotary Satellite fund-raiser “Home Soup Home” on Nov. 7 to raise funds for those needing housing. See Dixie for details. Tom Carrigan informed us of several KidsPak fund raisers including the annual Embassy Suites dinner on Nov. 12, and one with Safeway. Gail Daugherty told us that Wilynn Formeller has recently lost her father. Gail’s group is available to send cards from the club to those in need, so let her know if you know of members in need. Gail’s group can reach out to these people if they know of the need.

100th Minute: Judy Chapman told about 2006 to early 2007 in our club, including the first issue of Spokesman TODAY by Ed Hughes, the formation of Big T Interact, and a visit by RI President Boyd at The Ranch.

LRC Board Meeting: Jon Kindschy gave a brief update of board activities, including adding Christopher Johnson as a new Loveland Satellite Club member. The only board meeting still to occur this year will be on Dec. 4.

Club Grants: Ron Schlattman told of recent grant from the club (club foundation funds), including $2,000 to Dementia Training and $1,000 to One Community, One Family. The deadline for new grant requests for foundation funds is Nov. 1, so submit yours soon!

POLIO +: Bob Tello gave an update on the progress toward eliminating polio and the meaning of “+” in the initiative. Nigeria is very close to our goal, with only Pakistan needing a big push. Oct. 24 is World Polio Day. Consider giving to end the polio scourge.

Fellowship: Bill Moninger highlighted special things about two members today. Ask Dixie Schmatz and David Blythin about why they were each recognized.

PROGRAM: Jerry Westbrook introduced Kyle Whittaker of Northern Water to present the program about the History of Colorado River and Water. Kyle gave a history of Northern Colorado Water Conservancy District, beginning in 1937 with the Big Thompson Water Project as well as the details of the Colorado River Compact. Kyle’s interesting graphical presentation explained both sources of and demands for water in the compact.
