ANNOUNCEMENTS

Dave Mills (Newest Literacy Project): Dave was able to relay some exciting news about the latest youth literacy project, which included a brand new donation handed to him at the meeting by our guest speaker!

- With an anonymous donation of $10,206 from the Community Foundation, we have fully funded our 2021-22 Literacy Project (a total of $43,054).
- Other contributions have come from Duck Race ticket buyers and sponsors and individual Rotarians. Thank you all very much!
- Project funds $7/month (for 8 months) of books for each of 900 1st and 2nd graders at 10 schools with highest % of free/reduced lunch students.
- Students choose books (at their reading level) on favorite topics to read with family members, hence improving reading skills at both home and school.

PROGRAM

In her presentation, “Northern Colo. Community Foundation,” Kristin Todd - President & CEO of the foundation - explained the following:

- Established in 1975, this foundation is one of more than 800 such community foundations in the U.S. and more than 20 in Colorado.
- The foundation is a facilitator of philanthropy; it helps individual donors start a fund (Donor Advised Funds) and become a philanthropist, without having to be a billionaire or a multi-millionaire.
- It helps communities complete their own projects.
- The NoCo Community Foundation has helped our Loveland Rotary Club manage several of our funds.

In her essay “Aha Moment,” celebrated Dominican-American writer Julia Alvarez describes a terrifying plane ride and the many moments of kindness she saw. This quote comes from her reflections on that experience and her belief that when we receive kindness, we should pay it forward whenever we can.
