ANNOUNCEMENTS

Julie Johnson Haffner (DG Message):

Hello Rotarians in District 5440,

It has been a pleasure and honor to meet with so many of you these past few weeks in our club visit travels. Friendly faces, welcoming clubs and high energy have been evident in all the clubs and Rotarians we've met.

Inspiration always comes from others, their experiences and ideas. Sometimes we Rotarians need a jolt of new ideas, or inspiration, to launch our clubs in action.

One new place I've found for that inspiration is Rotary's brand-new Service Project Center which is now live!

The Service Project Center (formerly Rotary Showcase) is a dynamic and feature-rich hub for all Rotary service projects. This new online tool is part of our ongoing efforts to enhance participant experience and increase our impact.

Go wander and see what's out there and find your next new big idea! Until next time, Julie

Bill Eads (Valuable Tech Training): Don't miss this training session on Tuesday, October 8, right after our club meeting in Mountain View's Fellowship Hall. It is designed to help club

committee chairs and members of the club's board especially, but all members are encouraged to attend. Bring your own laptop for an even better hands-on training experience!

LAST WEEK'S FALL PARTY

A good time was had by all at our special Fall Party at Ellis Ranch. Upon arriving, some unbelievably beautiful classic cars intrigued guests. The silent auction (to benefit Larimer County Search and Rescue) featured a large variety of interesting, fun, and valuable items that our members enjoyed bidding on. The BBQ dinner by Mainstreet Catering was delicious as usual, while the Tripwire band easily enticed partygoers to the dance floor with their musical selections.
