NOVEMBER Teacher of the Month

Donna Morrison, Coyote Ridge Elementary School

Attend Meetings via Zoom!

ANNOUNCEMENTS

Pat Williams (*Did You Know?*): Pat seemed to stump all of us with some little known facts about our fellow Rotarians' interesting lives.

Driving my race car, my brakes failed as I headed toward the Missouri River. I was saved by a cop!

My mother and Trump's mother had the same last name and went to the same school in Scotland.

Jim Epstein (*Club News*): • Some more sad news to share: **Mo Heth's** daughter Connie just passed away; her funeral will be at MVPC on Nov 17, at 1:30 PM. Please keep Mo and his family in your thoughts and prayers. • There was a nice showing by Rotarians at **Roy Allen's** recent memorial service.

Dixie Schmatz (*Service Opportunities*): See my recent email to all members announcing several opportunities including joining our Loveland Satellite members, on Sat, Nov 18, in remodeling, painting, and doing some landscaping at a house for homeless, pregnant women.

Tom Carrigan (*KidsPak Update*): • KidsPak will get the food when Coldwell Banker takes 1,700 of its customers to an Eagles' game on Nov 8. • On Nov 11, \$10,000 of \$50 gift cards will be distributed by KidsPak to kids in Thompson School District. • Subaru of Loveland's *Share the Love* will again give \$300 to KidsPak for every car that is sold or leased. For the past 8 years, Subaru has contributed over \$280,000 to KidsPak! • Next week, we'll distribute 1,400 bags of food to kids struggling with weekend hunger.

LAST WEEK'S PROGRAM

Col. Gregg Johnson, commander of our local AFROTC at both CSU and UNC, presented our special Veterans Day program - an overview of CSU's program (the 12th largest in the U.S.). Some of the 139 cadets are being groomed for the new Space Force and some aspire to brave career paths for which the way has been paved by heroic cadets of the past. The mission of AFROTC is to "empower them to fail forward."
