ANNOUNCEMENTS

Alistair MacDonald (Widows Group):

Rotary is often a family experience, but the death of a Rotarian may sever that connection. We have traditionally invited Rotarian widows to our holiday lunches. Recently, a local group of such widows has formed, as *Rotary Anns* (a term that dates back to a time when Rotary was a men-only club). We hope this group of ladies will become regular visitors to, and participants in, our club. Welcome *Rotary Anns*!

Gail Daugherty (In Memoriam): Please remember the memorial service for Ron Grob, husband of our own **Becky Grob**. It will take place on Fri Nov 19, at 2 PM. Location: Trinity Lutheran Church - 3333 Duffield Avenue, Loveland.

Carol Stark (RI News): Rotary's 113th annual international convention will be held in Houston, TX, on June 4-8, 2022.

Tom Corrigan (KidsPak): KidsPak weekly average is now 545 bags (double bags on 11/17). Nearly 300 holiday gift cards (Safeway) have been sold to-date!

David Carmichael (Thumbnail Sketch): Our new Red Badger - David - met the challenge of telling his whole life story in less than 2 minutes. (Way to go, David!) The highlights:

- Married to *Patricia* for 45 years
- Retired in March 2021, after long career as a biochemist in academia and biopharmaceutical industry (Boulder & Loveland, CO & San Francisco)

PROGRAM

Red Badge Rotarian **Lee Anderson-Harris** delivered the story of the women who served in WWII. After meeting her husband, a member of the 10th Mountain Division Living History Group, she developed a passion for this history. Some highlights: • Started in 1942, the Women's Army Aux. Corps or WAAC (later renamed WAC when becoming part of the Army) was aimed at freeing up men for combat - controversial at the time • Racial segregation existed even in the WAC • They had their own medical staff to treat them • Their roles became more dangerous as the need and confidence in their abilities grew • More than 150,000 served
