Why We're Thankful

Irv Johnson: I'm so thankful that the two children I've lost were a part of my life.

Jim Epstein: I'm thankful for all the people in our world who try to make the world a better place.

Bob Tello: I'm so thankful for my dad (who just passed) and the life he gave me.

## LAST WEEK'S PROGRAM

**Charlie Bouchard (LRC Foundation):** Charlie led a large cast of Loveland Rotarians who displayed what we are all about - the vital service projects that are supported by **Loveland Rotary Club Foundation**, which receives the significant revenue brought in annually by our two big fundraisers.

**Laura Armstrong** traced the **amazing story of our scholarships**, growing from 6 scholarships (\$22,000), in 2014, to the 18 scholarships (\$176,000) we gave out this year!

**Dave Mills** explained the **literacy projects** funded by our LRC Foundation, including books for 9 low income elementary schools (1st & 2nd grade), books for early childhood centers (3-4 yr olds), and Imagination Library.

**Mary Camp** presented how our middle school and H.S. students benefit from the **life skills training and friendships** of the RYLA summer camps in the mountains.

**Gary Camp** announced the good news of the resumption (after a COVID pause) of our **Four Way Test middle school program**.

**Dixie Schmatz** gave us a look at the **fun and rewarding community service** projects carried out by our H.S. Interact Clubs.

**Lily Beineke** delighted us with a time-lapse video of the **benefits wildlife are receiving** from our Heart J Center Guzzler project.

**Doug Rutledge** showed us how the **interpretive nature kiosks** along Big Thompson River are designed by teachers and students, and built and maintained by our club.

Due to an oversight, **the Student and Teacher Recognition Program** was left out of the program. These important awards date back to 1982; it is financially supported through gifts from the Pulliam Foundation.

**Rick Parker** told how the Rubber Duck Race **raises big revenue** for our LRC Foundation, but also lets us **engage with the community in a fun way**.

**Diane Lapierre** shared how this major cultural event - The Governor's Art Show - **also raises revenue and benefits both the community and Colorado artists!**
