Inspiration

Rick Parker stressed the importance of Thankfulness. Being grateful helps a person's mental state. He quoted several famous individuals who emphasized the importance of being grateful for our lives and all we have.

LAST WEEK'S PROGRAM

Being Thankful - Everything in our annual celebration of Thanksgiving pointed towards how thankful we all are for our club, our donating members and the many opportunities that exist to help our community, our nation and the world.

In addition to a number of members who earned Paul Harris Awards, Laura Armstrong talked about Visionary Awards, Irv Johnston presented several grants to organizations that support our community and the world, and Gary Camp conducted a completely "Thankful" enforcer collection that afforded members the opportunity to express their thankfulness for events in their lives. The collection of money is to be used to support local organizations that help those who face food insecurity. All agreed that we are fortunate to be alive, to have our families, to live in this wonderful community and to be in this club. The meeting concluded with a salute to several members who had passed during the previous year.

Co-President Rick Parker reminded everyone one more time that there is no meeting on November 25.
