Dolly Parton is no ordinary country singer and song writer. Born into a poor Tennessee farming family, the 4th of 12 children, she has become a notable businesswoman and philanthropist. Created in 1988, the Dollywood Foundation helps children of Sevier County (where she was born) to achieve educational success. Dolly then started her *Imagination Library*, in 1995, using her Foundation.

The following Rotarians were recognized for their new

achievements as Paul Harris Society members:

- **Bob Link** (PH+1) • **Pat Williams** (PH+3) • **Kathryn Vilha** (PH+5) • **Bob Eatman** (PH+8).

Lily Beineke (Make an Impact) Please follow and invite others to follow Loveland Rotary on LinkedIn! Also, at this time of the year, please support various holiday food drives - such as the one Lightning eMotors (one of our Org members) is sponsoring - as there are so many families suffering food insecurity at this time.

Irv Johnson (Rotarian Generosity) Last week, you rewarded our dueling pianists (who normally charge at least \$3,000 for *The Fun Pianos Show*, but did it gratis for us) \$900 in tips. Thank you!

Chris White (Duck Race Needs You!)

There are now several opportunities - open roles on the exec committee - to help sustain this lucrative fundraiser!

Nicole Walters (New Member) Our newest member, CPA Nicole Walters, (native Coloradan, who moved to Loveland 2 yrs ago and just got married) treated us with her 2-minute thumbnail story of her life. Welcome Nicole!

LAST WEEK'S PROGRAM

Cecil Gutierrez, Chairman of Citizen's Bond Oversight Committee (CBOC) & former Mayor of Loveland, along with our own **Dick Barton**, delivered a complete update on how taxpayer dollars from the last R2-J Bond are continuing to fund great improvements in the Thompson School District. The original \$149 M has actually grown to \$207 M to-date with interest, grants, and land/bldg sales. Illustrated highlights of the improvements included the following: • Mtn View H.S. (new turf field, soccer lights, track surface repairs) • Garfield Elementary (new flooring in classrooms, hallways) • Laurene Edmondson Elementary (new parking lot asphalt) • Centennial Elementary (new gym floor, new commons flooring, tables) • Thompson Valley H.S. (new turf field, track surface, scoreboard, new entryway, etc.) • Walt Clark Middle School (new carpet, ceiling, paint, and furniture), and many, many more!

You may also attend via Zoom!
