**PROGRAM:**

**Chris Atib** introduced the new Director at the Loveland Housing Authority, Jeff Feneis. The LHA mission of making affordable housing available is apparent in their management of 634 units in Loveland (plus the Mirasol campus) and 229 units in Estes Park, Windsor and Milliken. LHA also provides programs to assist residents. The Aspire 3D program and the Green House Project are just two of the programs that illustrate the progressive and comprehensive approach that the LHA supports. LHA has future projects in the works and have partnered with Loveland Habitat, the City of Loveland and some private investors to better serve the community.
