## Governor's Art Show & Sale Retrospective

Final results: \$91K worth of art sold, along with \$30K of sponsorships. The net proceeds of \$22,500 are to be split three ways: 1/3 (\$7,500) each to our two clubs and *Thompson Education Foundation-Homeless Assistance Fund*. From an event that was cancelled, and then revived and recreated virtually, we feel fortunate to have such a positive result. Stay tuned for more on the 30th Anniversary Show, coming in May-June 2021!

## John Stewart Updates

John is still at PAM Specialty Hospital of Denver, but plans are underway for him to be moved to another rehab facility, hopefully in Larimer County.

## Virtual-only Meetings

Due to the latest County restrictions, we are Zoom-only for the time being. Stay tuned for resumption of hybrid meetings.

## ANNOUNCEMENTS

**Brian Nienhaus (Bereavement):** Please keep our fellow Rotarian **Becky Grob** in your thoughts and prayers, as her husband Ron passed away (weekend before Thanksgiving), after a long illness.

**Gary Small (Giving Opportunity):** *Colorado Gives Day 2020*, on Dec 8, is a great time to give to our Loveland Rotary Foundation, by way of [ColoradoGives.org](https://coloradogives.org). Let's see how much money we can raise!

**Jerry Westbrook (100 years and Counting):** 100 years of Club Secretaries: 10 members have served; together, **Ray** and **Evan Patterson** served our club for more than 50 years. 100 years of Club Treasurers: 17 members have served; **Cathy Peterson** served the longest, from 1996 to 2019.

**Dick Bradsby & Tom Carrigan (KidsPak):** At Safeway stores, 348 holiday dinners were distributed. KidsPak will be sending home food bags from eight school sites, on Fridays in December (Dec 4, 11, 18).

**Judy Chapman (Partners Mentoring Program):** Consider supporting our children by being a mentor or offering financial support at [poweredbypartners.org](https://poweredbypartners.org)!

## PROGRAM

Club members were treated to an update on our local school district by our own

**Marc Schaffer**, Superintendent, TSD. Highlights were:

- TSD = 15,000 students, 2,100 staff, 2.5 M sq ft, and \$190M bond + \$14M mill levy override funding.
- This is a highly engaged local school community - Marc gets lots of feedback (of various kinds).
- As a superintendent, Marc couldn't be more proud of the students; they've been flexible, agile, and super resilient during the COVID-19 challenges.
- Our health and safety procedures have served us well - including our ubiquitous use of masks!
- Two big reasons we need to close in-person classes, even though our COVID metrics look pretty good: (1) *When our staff members must quarantine*, they can't be replaced quickly; it isn't safe to operate without the needed people. (2) *When County is RED and you have just one COVID-positive child or adult in the classroom*, the whole class goes home!
- Some benefits derived from pandemic include: both teachers and students have become more tech savvy, and innovations in delivering instruction have occurred that should continue in the future.
