ANNOUNCEMENTS

Jon Kindschy (River Trail): Our team that annually reviews and approves new signs for the River Trail created by Love-land H.S. environmental science students could use more help! This is a fun activity, so consider joining us. Please contact Jon Kindschy if you’re interested.

Tom Carrigan (KidsPak): During Thanksgiving, 300 gift cards (a $50 value) were distributed. Soon, 400 more will go out. By Dec 31, KidsPak-Safeway partnership is expected to have raised more than $40 K for these holiday meal gift cards. Yeah!

Gail Daugherty (New Secretarial Team): Prior to Jon Kindschy passing the club secretary baton, he’ll be mentoring and training a small team in weekly meeting duties, with one person taking the lead in this future secretarial team. Consider joining - the club needs you!

(Weekly Meeting Team): We need volunteers for the set up and tear down of our meeting room props, tables, etc. If you think you can help, please step up! We need a total of about 8 people.

(Attn All Committee Chairs): Please contact your members and confirm they’re still committed to serving on your committees. Let’s get ready to roll!

PROGRAM

Justin Martinez, Outreach Specialist for Wounded Warrior Project, gave a great presentation on the group’s services to Post-9/11 veterans. Some highlights were these:

- Wounded Warrior assists not only veterans facing challenges with returning to civilian life, but also their families and caregivers who need support.
- Project Odyssey is a combat stress recovery program - a multi-day, outdoor rehabilitative retreat.
- WWP Talk, a weekly phone conversation service, helps veterans develop coping skills, achieve goals.
- Warrior Care Network (WCN) provides a year’s worth of mental health care to overcome PTSD.
