ANNOUNCEMENTS

Brian Nienhaus (Club Matters): We need more help for our Budget Committee, especially an individual skilled in MS Excel software, but also two more volunteers, as well! | **(Trivia Q&A):** Q: (1) When and where did the Reuben sandwich first appear on a menu? (2) What year did the Reuben win the National Sandwich Idea Contest? | A: (1) **Blackstone Hotel** (Omaha, Nebraska), in 1934, after (legend has it) a Reuben Kulakofsky, had been asking for the unusual sandwich during his weekly poker games at the hotel, since 1920. (2) In 1956, it won the prestigious award.

Jerry Westbrook (100 Yrs and Counting): Club *Editorians*: 1946 to present - 12 have served in this capacity; 1920-1945 - no records of this kept. *Citizens of the Year*: since this recognition started in 1993, there have been 26 named, some of whom joined the club!
Tom Carrigan (KidsPak): On the first Friday in Dec (while schools are remote only), 849 food bags were delivered to TSD schools and Loveland Public Library. Scheel's (retailer) is awarding KidsPak \$5,000, as a result of a poll it conducted of people's favorite charitable organizations. KidsPak is also slated to receive \$10K (so far) from Subaru of Loveland, from its 8th annual "Share the Love" promotion.

PROGRAM

Highlights of Julianne Fritz's (Regional Director of Oncology for Banner Health in NoCo) comprehensive overview of the new cancer center in Loveland were:

- Banner in Loveland (as well as Greeley) recently became a *full collaborative partner* of The University of Texas MD Anderson Cancer Center, one of the world's most respected cancer centers.
- Construction of the new center's \$8M expansion (in what was formerly McKee Conference Center) is expected to be complete in April-May, 2021.
- The new *pod design* of chemo-therapy clinic offers a quiet, tranquil environment for patients and state-of-the-art technology for nursing staff efficiency.
- A dedicated, state-of-the-art oncology pharmacy will provide infusions for the clinic.
- The new center's *multi-disciplinary approach* to care, as well as its new UBC (Undiagnosed Breast Condition) Clinic, set it apart from other cancer clinics.
