PROGRAM

Charlie Bouchard introduced Marta, our exchange student from Iceland, who gave a fact-filled and fun graphic presentation about living in Iceland. Some interesting facts: Iceland is the most expensive country in Europe; Iceland became independent of Denmark in 1944, when Denmark was otherwise preoccupied; Iceland is a typically cold, rainy country with lots of beautiful landscapes. Marta also spoke of Iceland’s food and traditions. And she spoke of her family and her studies, especially languages she’s learned. Finally, she modelled a beautiful homemade beautiful sweater available as a fund-raiser for her summer trip. Scarves and mittens are also available. Thanks for an excellent presentation, Marta!
