**RYLA and yRYLA:**

**Andrew Haines** told us about the Rotary Young Leadership Award program that all of the Loveland clubs sponsor. This program is an opportunity for school kids with the potential to develop leadership roles & skills. Our club works with the other Loveland clubs to recruit candidates, communicate with students when they apply, help with transportation to camp and assure the candidates will come let us know what they learned. This is a committee that needs more members to help—at least 2 people to recruit candidates; 1 person to do paperwork for yRYLA applications; 3 members to help with interviews. Please get in touch with Andrew if you can help out!

**PROGRAM: Nanci Garnand** introduced Filippa who is our exchange student from Denmark. She is from the island Zealand and the town of Hornbaek. Hornbaek is on one of the coasts with a beautiful beach. Filippa’s parents own two ice creams shops and the town is a tourist town during the summer. The shops make their own waffles and Filippa helps manage one of them. She chose Rotary for her exchange program because of the network, the people and the group helped her feel well prepared. She has really enjoyed her exchange, her host families and she’s made a lot of new friends. She is attending Loveland High and enjoys her classes and teachers. One adjustment here was getting used to private vehicles since public transit is really good in Denmark. Filippa has been enjoying all of the food options and is looking forward to the next 8 months here in Loveland.
