Bostwick recently had some surgery.

Fred Fishburn has been hospitalized after a recent fall. We hope and pray for speedy recoveries for both Fran and Fred!

(Letter of Appreciation): We received a nice thank you letter from scholarship recipient Julia Campos: "There is no way for me to adequately express how your kindness has impacted my life!"

(Shout-outs): We applaud the continued club service contributions of **Jim Kaylor** (for maintaining our new-member/mentoring packets) and **Judy Chapman** (for leading the Inspiration committee)!

(Attn All Committee Chairs): A special meeting with all committee chairs will be held on Jan 18 (prior to our club meeting) to help us all check the pulse of what's happening in our club on all fronts.

PROGRAM

Chuck Rutenberg, avid photographer/artist gave us a visually stunning talk on *digital art* - a personal passion of his for about 6 years now. Some highlights: • Chuck's work has been published in art magazines in the U.S., U.K., Germany, and Australia • Digital art, like traditional painting, allows the artist to create images using multiple layers of visual effects • The result often appears 3-D • Chuck's works consist of anywhere from 30 to more than 100 layers of visual effects!
