ANNOUNCEMENTS

Tom Carrigan (*KidsPak*)

KidsPak recently reached a record of 669 meal bags sent to schools. For the Thanksgiving holiday week, 2 bags were sent home with every student for a total of 1,074 bags. More than 300 \$50 gift cards from Safeway went to all 40 TSD sites for Thanksgiving; for Christmas, our estimate is 260 cards for TSD families. This represents over \$30,000 in donations from the Loveland/Berthoud community. Congrats to the route drivers who deliver the food weekly. You ARE the best.

Chris White (*Duck Race*) The Duck Race Executive Committee really needs at least one more person to help with all of the planning activities (pre-Race Day) that are required for this highly lucrative fundraiser. Could that person be **you**? Please think about it.

Charlie Bouchard (*Generosity*) Take advantage of the matching funds available to us when you donate to Loveland Rotary Club Foundation and other worthy charitable groups on *December 6 – Colorado Gives Day!*

Irv Johnson (*Partnering with the VA*) A planning meeting is in the works between Loveland Rotary Club and representatives of the Veterans Administration (VA), in which we'll discuss how we can collaborate on projects to meet the needs of veterans in Loveland. Stay tuned for more!

You may also attend via Zoom!

LAST WEEK'S PROGRAM

Preventing, Responding to, and Reducing Risk

Dr. Jennifer Guthals (Director of Student Success for TSD) and Joe Vodjansky (Safety & Security Manager for TSD) thoroughly addressed "Risk Assessment In Our Public Schools." Highlights included the following:

- TSD uses a *tiered system of support* (leveraging both school building-based staff and specialized support professionals) to assess and manage risks of violent behavior and to help students find strategies to regulate their emotions and behaviors.
- Suicide prevention is also a major component of this support; more than 70% of people who commit acts of violence are known to have been suicidal.
- Joe Vodjansky and his risk/threat assessment team have a system for screening threats with 13 essential questions they ask about every reported threat .
