ANNOUNCEMENTS

Mark Anderson (*International Service*): Mark, our resident humanitarian veterinarian thanked us for the grant funding (through LRC Foundation) for his latest project in Central America (Granada, Nicaragua). In only 5 days, his team treated more than 1,200 working horses for often life threatening conditions, thereby helping the humble people who depend on those horses for their livelihood and training local veterinary students.

Healing Horses
& Helping
People in
Nicaragua

Mary Camp (*RYLA*): Please get those 2 flyers (sent by Mary recently) seen wherever you can - church, clubs, neighbors, family, and friends! The online process for kids to apply for the 2024 RYLA & YRYLA camp is very easy. Get the word out!

Gail Daugherty (*Special Training*): Gail recommends highly the new *First On The Scene* training sessions by Loveland Fire Rescue Authority. She took it recently and found it to be excellent.

Tom Carrigan (*KidsPak*): All Rotarians are invited to the KidsPak tour of its brand new building, on Thu, Feb 22, at 4 PM. Please RSVP to Jenn@kidspak.org.

LAST WEEK'S PROGRAM

Dr. Christian Hageseth, during the past 55 years, made a name for himself in remarkable ways both in NoCo and nationally. He spoke about his extraordinary life and about his life's lessons learned, including how to live to the fullest while coping with Parkinson's. Some highlights: • Parkinson's affects both body and brain in surprising ways. • Our state of mind greatly impacts the pain we feel. • The worst feeling state in humanity is *anger*. • But *kindness* is the answer to most troubles.

Medicine, Psychiatry, &
the Truth About
Parkinson's Disease

By Christian Hageseth
