PROGRAM

Danette Haag of Soul on Fire & Mrs. Colorado 2021 blessed members with her inspiring life story titled “Beauty from Ashes.” A few highlights:
• She aims to inspire others - especially girls and women - to not get stuck by the tragedies in your life… to see your true beauty… to live the life you were meant to live.
• She grew up on a pig farm in Iowa; one of seven children in her family. As a little girl, she couldn’t imagine anything bad happening to her. • She, along with many of the 27 other people in her house at the time, suffered horrible burns after a gas leak explosion and resulting ball of flame that rose from the basement during a 4-H meeting being held. • Between ages 10-20, Danette underwent 30 reconstructive surgeries. • Her advice: when you’ve faced a tragedy or great adversity, you have to flip the script in your mind. You must make the choice to develop your strength within.
• Winning the Mrs. Colorado pageant in 2021 was the fulfillment of one of her life-long dreams long deferred.
