PROGRAM (Double Feature)

Loveland's Valentines Day traditions that began 75 years ago are personified in our annual Miss Loveland Valentine. This year's Miss Loveland Valentine (2022) Olivia Friske, a senior and student council president at Mountain View High School shared some thoughts about growing up in Loveland and how it has shaped her life.

Here are some highlights:

- Norma Jean Goodheart, who (as some of you may remember) was honored by our club 10 years ago as Non-Rotarian of the Year, introduced Ms. Friske.
- Ms. Fiske presented the club with thank-you gifts (an official Loveland Valentines Card and Loveland-made Valentines Coffee).
- She is an Interact club member at Mtn View H.S.
- Olivia's home town is where she... was "born a Lovelander" at McKee Medical Ctr... knew that 26 was exactly the number of books she could carry, as young girl, because that was how many she could check-out from the Loveland Public Library... was diagnosed, at age 16, with Type 1 diabetes, something that's taught her to "live life every day to the fullest."
- She's got a passion for history, especially the history of the women of Loveland.

Next, our club's 100 Year Gala event planner, Yvonne Pedersen, treated attendees to a preview of the entertaining video montage she's been creating for the event. **By Feb 28**, please email your childhood photos (if you haven't already done so) to MissYvonneP@yahoo.com or... text them to 970-631-4842.
