**PROGRAM**

Larimer County Clerk & Recorder, Angela Myers, spoke to the club of the various responsibilities of this position, including election administration, vehicle registration, property (and other) records. Ms. Myers answered questions from the audience about various ideas including hacking: Russians didn't get into Colorado records in 2016. Larimer County ratings on security are very high since ballot counting is "closed-loop" system and not connected to internet. Voting machines also have highly controlled access. Ms. Myers also addressed registration and voting requirements. Multiple voting is illegal and is pursued by the DA. Her office has found that multiple voting occurs every election.
