ANNOUNCEMENTS: Carol Stark-Sorg let

us know that **Julie Johnson-Haffner's** mother passed away and that **Cindy Guldys** mother in law also passed away—please keep them in your thoughts and prayers. **Carol** invited us all to the Rotary District Assembly in Cheyenne on April 6th. **Tom Carrigan** announced that the KidsPak 3rd Annual City Wide Food Drive is on March 8-10th and you can sign up at lovelandrotarykidspak.org. The goal this year is 30,000 pounds of food and there are over 400 volunteer spots available. Also, Miles of Smiles Colorado is sponsoring a world record breaking event with over 5 miles of toothbrushes at the Ranch on February 26th and KidsPak will help distribute the toothbrushes and toothpaste. **Charlie Bouchard** let us know that our exchange student had to go back to Denmark but arrived safely. **Bob Eatman** told us that Cliff Shultz sent a wonderful thank you for recognizing him.

AWARDS: **Bill Eads** introduced the Student of the Month Tessa Christensen from Mountainview HS. **Roy Allen** introduced the Teacher of the Month Leanne Porzycki also from Mountainview HS. Congratulations to you both!

HISTORY: April 3, 1945 - The Rotary Spokesman makes its debut as Volume I, No.1. The name nosed out "Gateway Greetings" in the preferential vote. The meetings were held in the Dining Room of the Pulliam Community Bldg.

PROGRAM: **Gail Daugherty** introduced Dr. Kara Keesling who has been a DVM since 1993, and currently has a practice in Windsor. Dr. Keesling has found a new veterinary medicine tool with CBD oil and using it to help treat dogs for many conditions. CBD is most commonly used to treat dogs for anxiety or stress but can be used for treatment of arthritis and many other diagnoses. THC is toxic to dogs but CBD can be helpful because canines have more endocannabinoid receptors than people. Dr. Keesling has found that CBD oils from whole plant extracts have been beneficial to dogs at all stages of their lives but can be especially helpful for elderly dogs.
