ANNOUNCEMENTS

Chris White (In Memoriam): Chris offered this prayer, in remembrance of our beloved friend:

Please mark your calendars - A Celebration of Life for John Stewart on Sep 15, 2021, at Sylvan Dale Ranch!

Dr. Bob Tello (COVID Information): The various symptoms that occur with COVID-19 depend on four factors: 1) the level of virus load you’re exposed to, 2) the particular type of spikes on the virus surface (new variants have more dangerous spikes), 3) your own underlying health condition, and 4) your age. Remember, symptoms will also vary depending on where the virus is in one’s body - lungs, nose, mouth, kidneys, heart, brain, etc. Tips: wear a mask, and get vaccinated asap!

PROGRAM

“Election Issues: What Did We Learn?” by Angela Myers, Larimer County Clerk and Recorder. Some highlights:

• Colorado’s fine-tuned all mail-in ballot model evolved over past 3-4 years.
• The uproar about voting rules probably resulted from some states starting mail-in balloting suddenly.
• Larimer County’s 2020 election was the quietest, smoothest running election in Angela’s memory.
• We only accept mail-in ballots by Election Day; we still must verify and count many ballots afterwards.
• Of all Larimer County ballots, only 20-30% are actually mailed back; most are brought to drop locations.
• Voter lists are scrubbed continually, even weekly.
