**LAST WEEK'S PROGRAM**

Our own **Dianne Lapierre** and other planning committee members of the Governor's Art Show & Sale (that always features Colorado artists exclusively) presented the new artists, legacy artists, and events of the 2023 show. Last year's show was thrilled to have Colorado's governor make a visit (for the first time in recent memory); in 2022, more than \$230,000 of art was sold by more than 76% of the artists, and more than 48% of the buyers (out of the 3,000 visitors) were new to the show.
