ANNOUNCEMENTS

**Carol Stark** (*Doing Good*): Carol shared news about World Water Day (Mar 22) and that 2.2 billion humans still lack a dependable source of clean water. Rotary has "Water, Sanitation, and Hygiene" as one of its seven Areas of Focus. (*Recognition*): Carol recognized our own **Bob Tello** for receiving his Paul Harris +4 pin. Way to go, Bob!  
**Dwight Brummet** (*Silent Auction*): Dwight issued a call to action for all of us: Please start looking for things of value you own - both *tangible* (that art piece sitting in a storage room) and *intangible* (that condo or time-share you could donate as a getaway weekend) - that you could contribute to our silent auction during our upcoming club gala at Ellis Ranch, this October!

LAST WEEK'S PROGRAM

Our own **Rick Parker** gave us a delightful illustrated travelogue of the trip - long delayed because of the recent pandemic - he and his wife Mary took, last year, to Southern Italy. It was a sequel to the Northern Italy trip they'd enjoyed back in 2018. Once again, they chose a Rick Steves planned itinerary (of PBS television fame). Here are just a few highlights: • In Rome, Rick and Mary experienced the Roman Forum, Colosseum, and magnificent Circus amphitheater. • In Matera, they walked through 9,000 yr-old cave houses continuously inhabited until only 70 yrs ago. • Near Paestum they marveled at some of the best-preserved Greek temples in all of Europe. • They spent 6 hours cruising the Amalfi Coast, which was absolutely stunning. • They added 2 wks to the planned itinerary so they could explore Sicily by car, which was often scary due to the narrow streets! • At a 4th century AD villa, Near Piazza Armerina, they enjoyed some truly amazing Roman mosaic floors. Truly a trip of a lifetime for the couple!
