ANNOUNCEMENTS: Brian Nienhaus

announced that the club will have another REVD event later this year. **Nita Roy** read comments from the Four Way Test at Walt Clark MS and it was a much appreciated and successful event. Kid-sPak is still in need of store greeters and other volunteers so please consider signing up. Also, the record breaking Miles for Smiles will result in toothbrushes and toothpaste being distributed to 153 food bank programs along the Front Range. **Karl Muriby** asked that everyone check the spelling of your names on the Rotary Clock. He also asked that we keep **Fred Morey's** family in our thoughts and prayers as Fred's mom passed away.

PAUL HARRIS AWARDS: **Carol Stark-Sorg and Julie Johnson-Haffner** presented awards to **Roy Allen, Irv Johnson, Jeremiah Harris and John Barrow**. Congratulations and thank you!

HISTORY: June 1, 1948 - Judge Conrad Ball became President, the first son of a father to lead the club as his father had in 1930-1931. In fact, the Ball family holds the distinction of being the only family with three generations of members and Presidents. Current member, Richard Ball served as President in 1981-1982.

PROGRAM: **Nanci Garnand** introduced Mary Bahun-Meyer who helps coordinate and schedule events for the Anatomy in Clay system. She introduced Dr. Jennifer Hellier who has her PhD in Anatomy/Physiology from CSU. Dr. Hellier travelled to Africa with Funzeleo, Inc and was able to take models from the AICC system with her to donate to schools. Dr. Hellier was able to teach some of the educators there about anatomy and physiology using the models so they could teach their students. Through her work with Funzeleo, Inc, Dr. Hellier was also able to teach the teachers in Tanzania how to set up and run a science fair for their students.
