**ANNOUNCEMENTS**

**Bob Eatman (Citizen of Year)** The Recognition Committee has received 9 nominations for Citizen of the Year. Please wish them luck with their arduous task!

**Mary Camp (RYLA Update)** After interviewing applicants, we have 13 YRYLA and 3 RYLA students (for all 3 Loveland clubs). We have openings for 4 more RYLA students. These are kids in the 10th, 11th, and 12th grades. Please encourage a student to apply.

**Jerry Westbrook (Upcoming Events)** Jerry encouraged all members to attend the District Assembly (a virtual event) coming up on Apr 23. He also promoted the District Conference to be held June 9-11, in Lander, WY (easy to get to, going up Hwy. 287). Register early and get a discount!

**Charlie Bouchard (Youth Exchange)** This exciting program is starting up anew this year. We have both an outgoing and an incoming student! The committee is asking for members' support in two areas:
1. Please join this committee - we’d love your help!
2. We need folks to sign up to be host families.

**Lily Beineke (Thumbnail Sketch)** Our energetic Red Badger’s 2-min. life story included these highlights:

- Grandparents were heavily involved in Rotary’s Youth Exchange
- Hails from Akron-Canton (OH) area
- First visited CO as a H.S. softball player
- Had a passion for engineering, leading to getting a BSME from “General Motors Institute”
- Now works as dev & test engineer at Lightning eMotors, a Loveland company that converts Class 3 (commercial) vehicles to electric

**PROGRAM**

**Retired educator & former Loveland Mayor Cecil Gutierrez** spoke on “One Latino’s Perspective.” The highlights of his presentation included the following:

- Songwriter/singer Luke Bryan’s lyrics, “I believe most people are good,” is true for Loveland, though racism and prejudice do exist here.
- Latinos have a rich, diverse heritage, starting with Spanish explorers who first colonized No. America.
- Many Latinos’ ancestors have been here a long time, and have made huge contributions to America.
- Let’s celebrate our progress in fostering cultural diversity, but not forget there’s work to be done.
