ANNOUNCEMENTS

Brian Nienhaus (Governor’s Art Show): Thanks to a last minute push by Diane Lapierre and Nanci Garnand, our club is likely to achieve up to $16 K in sponsorships (though short of the $20 K goal); the Thompson Valley Club raised close to $30 K. Also remember there are two different times for the Opening Gala Night (Fri May 21): 4 PM (preference for Gold and Silver sponsors) and 6 PM. Gala attendees proceed to the Loveland Museum, afterwards.

Carol Stark (RI & Rotary Foundation): Everyone’s big or little donation enables Rotary to do good in the world. Our president Brian’s annual Foundation goal of $30 K has already been exceeded. We’ve hit $35 K! Our club is 2nd or 3rd in district with its 95 Paul Harris Fellows, but we’re no. 1 in the district in terms of Paul Harris Plus (additional years) awardees. Yeah!

PROGRAM

“Our Local Food Bank” by Amy Pezzani, CEO - Food Bank of Larimer County

Some highlights of Ms. Pezzani’s presentation included the following:

- Food Bank’s vision: a hunger-free county; its mission: to provide food to all in need through community partnerships and hunger-relief programs.
- This pandemic year was momentous for food banks everywhere - trying to meet huge demand!
- Since start of pandemic, Food Bank has added over 5,000 clients (brand new people coming for food) and 2,096 volunteers.
- In March 2020, literally overnight, we transitioned from client-choice pantries to drive-through model.
- But also early on in pandemic, we had severe problems with supply chain and unexpected shortages.
- Imagine the fear that people (who had been depending on us as their source of food) had at that time!
- At times, we had a lot more fresh food - restaurants being forced to donate it to us, as they shut down.
- We served fresh food to an avg 467 households/day.
- Forced innovations (Nourishing Network, Nutritious Kitchen, SNAP) may become permanent.
- Thanks to Rotary and others, we hired new staff and supported new programs in these hard times!
