PROGRAM: Phil Ashcraft introduced Jared Fiel who is the Region 4 Director of Communications for CDOT out of Greeley. The I25 expansion plan has been in place since 2011, but has now been expanded north to Hwy 1 in Wellington. The overall goal of this project is to have 3 general purpose lanes and 1 express lane. In addition to expanding the interstate, CDOT will add another park and ride at 34 and Kendall Pkwy (including a new center load bus stop to keep traffic moving), widen the Big Thompson bridges, reconstruct the I25/402 interchange, add an additional lane and a half in each direction at the Hwy 34/I25 interchange. The North parts of I25 will be open in 2021, and the entire project will be completed in 2025, if the extra funding for the project is secured.
