ANNOUNCEMENTS

Rick Parker (*LRC Foundation*):
The resources of our *Loveland Rotary Club Foundation*

(currently with endowed funds of more than \$2M) come from the Duck Race and Governor's Art Show fundraising and from individual donations. Every year, it sets aside 3% (equating to about \$30K) of unrestricted funds for distributing grants to all kinds of worthy projects in the categories of youth/education, international service, housing, the environment, and health/elder service. Through our foundation we've given more than \$174K since 2017. With a one-time donation of \$1,000 and a \$100 (at least) annual donation after that, you can be a "21st Century Visionary" and come to the annual party, which again this year will be at Rich Ball's house on Sep 12th. Please consider being a bigger part of all that our foundation is and does!

Gail Daugherty (*Rotary After Hours*):
The recently cancelled (due to snow) get-together is rescheduled for April 11, at Jeff Swanty's home. More info to come.

Bob Tello (*2024 Duck Race*): This year's fundraiser will only succeed due to the massive effort of our **sponsorship solicitation team**. Let these folks know you

appreciate all they're doing: • **Charlie Bouchard** • **Dwight Brummet** • **Dave Carmichael** • **Gail Daugherty** • **John Fogle** • **Chris Johnston** • **Lyle Jones** • **Doug Mannering** • **Dave Mills** • **Brian Nienhaus** • **Rick Parker** • **Dixie Schmatz** • **Bob Tello** • **Janice Ververs** • **Chris White** • **Pat Williams**

LAST WEEK'S PROGRAM

Professional, certified tattoo artists Mike, Joe, and Shannon of Red Letter Tattoo (a Duck Race sponsor!) shared fascinating facts about the industry: • These artists often have

a background in other art forms. • They relish the close interpersonal aspect of the work. • Years of apprenticeship training is required to become certified. • Creating a tattoo requires an initial consultation with a client to identify their desired design and area of the body, as well as their motivation and their personal needs, allergies, etc. • The tattooing work involves adhering to many safety and sterilization requirements to protect the health of both tattoo artist and client.
