## LAST WEEK'S PROGRAM

Our own **Lynn Hammond**, past club president and DG, as well as past board member of Rotary Foundation, spoke about Rotary's past and future. A few of Lynn's choice re-

marks: • Though Founder Paul Harris earned a law degree (1891) and settled in Chicago as a lawyer (1896), during his intervening "5-yr plan" he traveled the U.S. and Europe, working odd jobs, including a stint in

Colorado as a reporter (*Rocky Mountain News*) and a ranch hand. • His Rotary idea came from his desire for a fellowship of men from many fields, with no religious or political restrictions, but "having a broad tolerance for other people's opinions." • Arch Klumph (1916) first had the idea of an endowment fund (Rotary Foundation), which started with just \$26.50. • Rotary diminished in the 1930s (Great Depression and WWII), but it grew greatly in post-war years. • A U.S. Supreme Court ruling in the 1980s finally allowed women to be Rotarians - a truly monumental and positive change!

Meet Tisha!
