ANNOUNCEMENTS

Gail Daugherty (Friendly Florist) Our local florist - Rowes Flowers - that supplied the lovely floral arrangements for our 100 Years Gala did it free of charge. Please patronize this local business, a friend of our club!

Dixie Schmatz (New Member Inductions) Club members conveyed a warm welcome to Lily Beineke (new individual member) and Lightning eMotors (new organizational member). Lily was joined by three of her colleagues from this company, one of the new startups at The Forge campus.

(Two More Things) Dixie Schmatz announced, additionally: (1) a new initiative by the Greeter Committee that will give all members one or two opportunities per year to perform the role of “Greeter” or “Zapper.” It is hoped this rotating schedule for these roles will allow all members to get to know each other better. (2) Join devoted blood donor Jon Kindschy in participating in the Rotary Blood Drive at the Garth Englund Blood Center (MCR) between now and July 4. Thank you!

PROGRAM

... WHEN “SERVICE ABOVE SELF” BECOMES REAL!

Chris White, Duck Race Executive Committee Chair (with the support of his fellow Loveland Ducksters), presented the 2022 Loveland Duck Race Kick-Off. Highlights included these:

- Our Loveland Duck Race brings in an average of $25,000 each year to fund our college scholarships and various community service projects.

Where does the money go?

- A large portion of the funds ($12K or more) has gone, historically, to our many Literacy projects, including free books to boost reading levels of many of our kids.
- Recently, our focus has been on fueling the success of the Innovation Labs in TSD elementary schools.
- A video showed how this retooling of schools’ computer labs teaches skills in multimedia, fabrication, comp science.

Where does the money come from?

- Large Duck sponsorships (60%) you sell are essential.
- Ticket sales ($40%) offer volunteer opportunities for all.
