## LAST WEEK'S PROGRAM

This program was characterized by Co-president **Rick Parker** as a great way for us to “get engaged!” Members were encouraged to visit several different booths set up by our

committees and service projects, where each of them shared their activities, goals,

and schedules for the year. The whole session was designed to be much like the proverbial “speed dating” concept, with a set time limit for each encounter that began with the ringing of the bell! A good time of information sharing appeared to be had by all!
